

KZV's Summer Reading Program

Dear Parents,

Once again, we will be requiring summer assignments for KZV's learning community. Research shows that summer reading loss or "summer slide" is a problematic loss of grade-level skills, and having a robust summer learning program with concentrated reading time helps build vocabulary, improves focus, and decreases screen time for students. This program will give students the opportunity to read and share their ideas or projects when they return for the new school year.

Each child will receive the following information and materials for the summer reading program:

1. a required reading list
2. a recommended reading list (for elementary grades)
3. a summary form or project sheet (if any), and
4. a reading log or assignment directions.

REQUIRED READING FOR ALL GRADES:

Grades 1-4: Students in grades 1-4 are **required** to read three **(3)** books

Grades 5: Students in grade 5 are **required** to read two **(2)** books.

Grades 6-8: Students in grades 6 are **required** to read **(1)** book.

Students in grades 7 are **required** to read **(2)** books.

Students in grades 8 are **required** to read **(3)** books.

Each student who fulfills this requirement will receive a grade for participating in this program. Students who do not complete summer reading are at risk of falling behind their classmates

The reading log and any projects (book reports, summaries, etc.) required by the teacher is **due the first week of school**. Teachers may also use assessments upon return, so students need to be prepared to discuss and respond to questions about their books.

Books are available at your local library, bookstore or online. Thank you in advance for your cooperation. Have a wonderful summer!

Sincerely,
The English Language Arts Department
