

KZV's Summer Reading Program

Summer of 2021

Dear Parents,

Once again, we will be requiring summer reading by our KZV students. By reading during the summer, students will remember and use the skills they have acquired during the school year. This program will give students the opportunity to read and share their ideas or projects when they return for the new school year.

Each child will receive the following information and materials for the summer reading program:

1. a required reading list
2. a recommended reading list,
3. a summary form or project sheet (if any), and
4. a reading log.

REQUIRED READING FOR ALL GRADES:

Grades 1-4: Students in grades 1-4 are **required** to read three **(3)** books

Grades 5: Students in grade 5 are **required** to read two **(2)** books.

Grades 6-8: Students in grades 6-8 are **required** to read one **(1)** book.

Each student who fulfills this requirement will receive a certificate and a grade for participating in this program. Students who do not complete this requirement can expect to lose points on their first quarter English grade.

ADDITIONAL SUMMER READING TO RECEIVE FREE DRESS PASS:

In order to receive a free dress pass, students should:

- Grades 1-2: read an additional five **(5)** books from the recommended list + the required Armenian book
- Grades 3-8: read an additional two **(2)** books from the recommended list + the required Armenian book.

Parents and students may record the names of the additional books read on the attached reading log. Parents will sign the reading log to verify that their child has read the books.

The reading log and any projects (book reports, summaries, etc.) required by the teacher is due on **Friday, August 20, 2021**. Teachers may also give class work or quizzes upon return to school, so students need to be prepared to discuss and respond to questions about their books.

Books are available at your local library, bookstore or online. Thank you in advance for your cooperation. Have a wonderful summer!

Sincerely,
The English Language Arts Department

Summer Reading Program for the Incoming 5th Grade

Dear parents/guardians and incoming 5th grade students,

To get you prepared and to give you some summer enjoyment, I have prepared a list of books that you can read for KZV's summer reading program. Please follow the directions below.

Because all students have different interests and reading levels, I have prepared a list of books ranging in difficulty and topics. For 5th grade summer reading, there are 2 required reading books for everyone (see Summer Reading List attached). You will need to fill out a questionnaire for each of these books (see attachment).

I have also listed recommended books that I'm sure you will savor! Feel free to read any of these! You will need to read at least 2 recommended books for your free dress pass (along with the Armenian summer reading book). The recommended books are optional and not required or part of your grade.

Use this checklist to help keep you organized to ensure you have met your requirements. All items are due within the **first week of school** to receive credit.

- I read Wonder and filled out the Questionnaire
- I read either Frindle or Bud, Not Buddy and filled out the Questionnaire
- I read recommended reading books (optional)
- I filled out the reading log of all books I read this summer

Happy reading and please have a safe and fun summer!

NOTES:

- For the most part, the books are ordered easy to hard.
- How to choose a book:
 - Read the description of the book, either online or from a library
 - Come see Ms. Hogan's library collection! I may have some, but not all. Feel free to ask me how to check books out for the summer.
 - www.amazon.com lets you preview the first couple of pages for some books
 - www.scholastic.com lets you find the reading level and a brief summary
- Still not sure? Skim a few pages of the book. If you stumble over many of the words, the book may be too hard for you. If you stumble over just a couple, it may be a good fit for you!
- If you want to push yourself and read more, feel free to check this link for additional 5th grade novels! <http://hplibrary.org/kids/bibliographies/5th>.

Questionnaire

Please complete this form in its entirety after reading each book. Remember that this form is REQUIRED for the “required” reading that you do. Use complete sentences.

1. In your own words, please write a summary of the book you just read. Include main character/s, setting, plot, etc.

2. Would you change anything about this book? Why or why not?
