

# KZV's Summer Reading Program

Summer of 2018

Dear Parents,

Once again, we will be requiring summer reading by our KZV students. By reading during the summer, students will remember and use the skills they have acquired during the school year. In addition, one of the English language arts department's goals is to find ways to instill a love of reading as a lifetime goal for our students. This program will also give students the opportunity to read and share their ideas or projects when they return for the new school year.

Each child will receive the following information and materials for the summer reading program: 1) A required reading list, 2) a recommended reading list, 3) a summary form or project sheet (if any), and 4) a reading log.

Students in grades 1-4 are **required** to read three (3) books, while students in grade 5 are **required** to read two (2) books. Students in grades 6-8 are **required** to read one (1) book. Each student who fulfills this requirement will receive a certificate and a grade for participating in this program. Students who do not complete this requirement can expect to lose points on their first quarter English grade.

Any student from grades 1-2 who reads an additional five (5) books from the recommended list will receive a free dress pass. Students in grades 3-8 who read an additional two (2) books from the recommended list will receive a free dress pass. Parents and students may record the names of the additional books read on the attached reading log. Parents will sign the reading log to verify that their child has read the books.

The reading log and any projects (book reports, summaries, etc.) required by the teacher will be due on Friday, August 24, 2018. Teachers may also give class work or quizzes upon return to school, so students need to be prepared to discuss and respond to questions about their books.

Set the example and show that reading is important by letting your child "catch" you reading a book or magazine over the summer. Take the time to read while your child is reading.

Books are available at your local library or bookstore. Thank you in advance for your cooperation. Have a wonderful summer.

Sincerely,  
The English Language Arts Department

## INCOMING FOURTH GRADE SUMMER READING PROGRAM

Dear students and parents of the fourth grade:  
Happy summer to all! I wish you all a relaxing and safe vacation.

Once again, your children will be required to do some reading during the summer. The KZV Summer Reading Program is set to encourage reading during vacation time as well as reinforce skills learned throughout the school year. For the fourth grade class, all students are **required** to read the following books:

1. **Fantastic Mr. Fox** by Roald Dahl
2. **The Cricket in Times Square** by George Selden
3. **Jeremy Thatcher, Dragon Hatcher** by Bruce Coville, Gary A. Lippincott

These books are available on line (Amazon, Scholastic) and your local library.

Students **DO NOT** need to complete story summaries for their required summer reading books. In place of the summaries or projects, I will conduct my own assessment of the three required books through various class activities during the first week of school.

Students who read an **additional two** books will receive a free dress pass. Parents need to complete the additional reading log.

I look forward to the upcoming school year and also look forward to working with your children and all of you once again. Here's to a productive and successful school year!

If you have any questions regarding summer reading requirements or anything else, you may e-mail me at [nahabediankzv@gmail.com](mailto:nahabediankzv@gmail.com).

Sincerely,

Siran Nahabedian

## Additional Recommended Fourth Grade Summer Reading List
